

Manchester Taekwondo Club Grading

Dear parent/guardian,

I am happy to announce that your child is ready to grade for a belt promotion.

MHSG after school club students only, will have their grading start at 5-5.15pm approx, straight after the after school session. This is for your convenience as the girls are already in school with me. This is the first time we have done this and will assess if it is successful for future gradings.

Date: Tuesday 25th June 2024

Examiner: Grand Master K. Walton - 9th Degree Black Belt

Venue: Dance Studio / MHSG

Start Time: 5-5.15pm approx

Child Pick Up: 6-7pm approx from the dance studio only.

Note - There will be other students/parents arriving from 6pm for their grading examination.

Closing date for monies & TKD licence booklet (for signing) in to me - From **Monday 10th June** and by the strict deadline of **Monday 17th June**. The cost of the grading is **£30** and payable to me & online only, see below (check twice) and please use Ref: **TKD Grading/Name**.

Please note ALL Taekwondo & grading fees are non refundable for any reason.

If your child is not licensed and doesn't have a white training suit (Dobok) they cannot grade. Also if this is your child's first grading I will need 3 passport photos for there grading card. If payments are received late, your child will not be able to grade and a refund will also not be given.

- PLEASE EMAIL FOR BANK DETAILS -

If you are unable to attend our club grading you may be able to grade with another club/area - on availability only!

All information, including revision material and what is expected of students & parents at a grading is available on our website - www.manchestertaekwondo.com via the members page.

Please note: A reminder that not everyone is eligible to grade - There will be an on-going assessment to determine who is eligible to grade and if minimum attendance has also been met. I will confirm who has met the required criteria, plus blue stripes and above have different criteria to meet - see licence booklets.

If arriving to see your child grade, please wait outside until an appropriate opportunity to come in or collect your child, as the grading will be in progress. Once your child has graded you will be able to leave straight away. Results are posted to Manchester Taekwondo Warriors FB group and/or given out at the next available class.

If you wish to stay up to date on all things Tae Kwon-Do related, you can join our club WhatsApp group - email me your full name, mobile number & child's name. Please also email me if you have any further questions, I look forward to meeting you soon.

Yours sincerely,

Michael Dean O'Reilly
